5 D.O letter No 636 dated the 26th Feb 1915 from Dewan Bahadur Mr. K P Puttanna Chetty.

States that the site being ideally situated in a most important junction is very valuable, that he has consulted some of the Mumb: Councillors and that in conference with them he thinks that 2 acres ought to be enough for the Mutt purposes, that a piece of private garden comes within this area which will have to be acquired and that the Mutt may be placed in immediate possession of the land belonging to the Municipality Also specifies the conditions subject to which the land should be granted to the Mutt

6 Subm: for orders The President has left the question of granting the site to the Mutt free of cost to for the decision of Govt: He has however added that

the land is cheap at 4 annas per sq. yd and that the Srungeri Mutt paid full price for all the land including Govt land

7 One of the Conditions subject to which the land is proposed to be given is that there should be no Agraharam built for Brahmins The other Conditions are the usual ones relating to the frontage of the proposed building and to Sanitary rules

Submitted to His Highness

Paper under disposal

His Holiness the Swami of the Uttaradi Mutt has applied for the free grant of about four acres of land near the Basavanagudi Extension between the Lalbagh Road on the South and Fort Centre Road on the West for constructing a building for the Mutt Patasala which is now at Hole-Narasipur and which it is proposed to transfer to Bangalore

2 It is not considered desirable to give away this site as it is at the junction of two of the most important roads in the City and may be required for other public purposes The Municipal President has proposed, in consultation with Mr Karpur Shrinivasrav, Chief Engineer, and a representative of the Swami, another alternative site at the South end of the Hardinge Road measuring about 4 acres which is less objectionable This site was formerly granted to the Mahratta community for purposes of a hostel but they have not utilised it for the purpose and are asking for other sites

3 The matter was discussed informally in Council and it was decided that the alternative site referred to in paragraph 2 above should be resumed and granted to the Uttaradi Mutt at a reasonable price The First Member suggests that the upset price may be fixed at annas two per square yard The price will be finally fixed in consultation with the President of the Municipality I solicit sanction to the proposal

HIS HOLINESS THE UTHARADI MATT SWAMI COMMUNICATION

REPRESENTS THE FOLLOWING.

1. That the Sanskrit Education is not receiving that amount of attention which it merits, has been engaging the attention of HIS HOLINESS for some years past. Agreeably to the ardently expressed desire of some of the Matt deciples and the towns-people of Bangalore, which commends itself to His Holiness, the shifting of the Uttaradi Matt Patasala at Hole Narasepur, (whose working is not as satisfactory as could be desired) to Bangalore - the central and most important City in the Mysore State - has been decided upon To achieve this end it is comtemplated to build an extensive building of modern design approved by the Municipality to suit the requirements of the Matt, the growing needs of the Patasala and other charitable purposes

2. As a result of the endeavours of some of the important Citizens of Bangalore in the selection of a suitable site for this purpose, a plot of ground measuring about 4 acres, enclosed by the Lal Baugh Road on the South, and Fort Centre Road on the West, and situated near Basavangudi Extension, as indicated in the sketch attached hereto, has been suggested and its free grant to the Matt for the aforesaid purpose is therefore earnestly requested.

3. Such portion of this plot of ground as may now be in the gift of the Municipality - exclusive of the small bit of garden land whose formal acquisition might involve some delay - may be caused to be placed at once at the disposal of the Matt, so as to admit of immediate steps being taken to start the work and to lay the foundation stone for the building to be raised thereon before the Samasthanam moves on from Bangalore City.

Copy of letter dated the 18th July 1915 from Mr. Karpur Sreenivasa Rao, camp, Cauvery Reservoir, to the Honorary President, Municipal Council, Bangalore City.

I request you will kindly pardon me for not having replied to your question regarding the Uttaradi Matam site, noted in your D.O. No. 60 of the 7th May 1915.

I am told His Holiness the Swamigalu will come to Bangalore within a fortnight or so for the Chaturmasya Puja and will stay there for about two months. This question of the site can be settled then and all details can be satisfactorily arranged and I request you will kindly keep this question in abeyance till then.

You have asked my personal opinion on your proposal to charge annas 4 per square yard or about ₹ 4,000/- for the whole site measuring 3 acres and 5 guntas. I have only to state that there are many instances in which sites have been granted free of cost for public institutions. His Holiness has proposed to establish a Patasala in Bangalore with feeding arrangements to the students. A great expenditure will have to be incurred by the Matta for the erection of a decent building. In consideration of all this, I strongly urge that you will see your way to grant the site free of cost in the present instance also.

With many apologies for the delay.

Copy of letter dated 6th August 1915 from Mr. Karpur Srinivasa Rao to the Honorary President, City Municipal Council,

---

I have already written to you on the 1st July regarding e site for the Uttaradhi Mutt in the Basavangudi Extension . e Agent of the Mutt also had an interview with you yesterday.

This morning His Holiness the Swamigalu also visited the te with me. We found that nearly half the site is in a pit d only the Southern portion is in a proper condition.

The Agent of the Mutt and Mr. H. Narasinga Rao of Mysore, the Pleader of the Mutt, have already requested you personally that you may be pleased to grant the site free of cost, similar to what has been done in the case of so many other Institutions like the Vivekananda Mutt, Theosophical Lodge, Y.M.C.A, and -- greater portion of the Sankar Mutt. Also, the very site in -- question had been offered free of rent to the Mahratta Association. From this point of view, His Holiness the Swamigalu's proposal to have a temple, a Sanskrit Patasala and free Boarding House established on the site in every way deserves a liberal consideration at the hands of Government.

You probably know that Government have been taking special measures to encourage Sanskrit education by liberal grants. Accordingly, it will be quite in keeping with the intentions of Government if you kindly recommend the grant of this site free of cost.

If, for any reason, you still think that a small cost - - should be recovered for the site, I would urge that the low -- level portion of the site at least may be granted free of cost and that a small fee not exceeding an anna per square yard may be charged for the remaining portion.

As His Holiness the Swamigalu will stay here for about two months

"

months and wishes to see that a good portion of the work, he proposes, is fairly started before leaving the place, the matter has to be settled finally without any delay. I therefore request that you will be pleased to take at a very early date such steps as you may think proper, to enable His Holiness to attain his laudable object in this charitable and useful educational undertaking.

I may add that His Holiness is quite willing to abide by all the conditions mentioned in the note accompanying your D.O. letter.
